

POLISH STUDIES PROGRAM – Spring 2008

HIS 295 **History of Poland and Central Europe**

T & Th, 9:30-10:50

Dr. Slawomir Jozefowicz

- **Is the history of Central Europe different from the history of Western Europe?**
- **What made the Central European historical experience unique?**
- **What are the similarities and differences between Russia, Eastern Europe (Ukraine and Byelorussia) and Central Europe?**
- **What are the roots of Central European identity and historical consciousness?**
- **How did the process of the national emancipation of the small and mid-size nations of the region from multi-national structures and oppressive regimes up to the fall of the communist system in 1989 proceed?**
