

POLISH STUDIES PROGRAM – Spring 2008

**HIS 253/PS 411 Poland and Europe:
Cultural and Political Transformations**

Wednesday, 4:00-6:50

Dr. Slawomir Jozefowicz

Do you want to know more about...

- **The Polish presence in Europe - understood both as a cultural and political community of nations?**
- **International, intercultural and comparative aspects of the changing status of Poland in Europe?**
- **The history of Poland's relations with its neighbors - especially Russia, Byelorussia, Ukraine, and Germany?**
- **The ways Poles perceive and represent their neighbors and how they are perceived by them?**
- **Poland's "special relations" with the US in the contexts of US-EU controversies regarding the war on terrorism and Iraq?**
